**Insert:** "NEW SECTION. Section 3. State agencies may coordinate. (1) If a state agency has a plan or policy that is less restrictive than a federal plan or policy, the state agency may demand by any lawful means that the federal government coordinate with the state before the federal government implements, enforces, expands, or extends the federal plan or policy within the state's jurisdictional boundaries.

(2) If a state agency demands coordination as provided in subsection (1) and the federal government fails to coordinate in good faith with the agency, the state agency shall:

(a) hold public hearings to discuss the plan or policy and consider any information that has been provided by the federal government; and

(b) determine whether or not to litigate to enforce the state's coordination rights.

(3) For the purposes of this section:

(a) "coordinate" means to seek in good faith to reach consistency between state and county plans or policies;

(b) "less restrictive", "plan", and "policy" have the meaning provided in [section 1]."
